STARWOOD ENERGY GROUP CLOSSES THIRD FUND

GREENWICH, CT – June 30, 2018 – Starwood Energy Group Global, LLC (“Starwood Energy Group”), a leading mid-market energy infrastructure investment manager, is pleased to announce the final closing of its latest fund, Starwood Energy Infrastructure Fund III (“SEIF III”), with total capital commitments of over \$1.2 billion.

SEIF III will continue the successful strategy employed by the Firm’s predecessor funds Starwood Energy Infrastructure Fund (“SEIF I”) and Starwood Energy Infrastructure Fund II (“SEIF II”) of acquiring and developing power generation, transmission and other energy infrastructure projects in energy-constrained markets throughout North America.

Himanshu Saxena, CEO of Starwood Energy Group, said: “We are delighted and grateful for the strong support we have received from leading global energy and infrastructure investors and look forward to delivering value for them. The rapidly evolving fundamentals of the North American energy markets provide significant value-add opportunities for private capital investment and we are excited about the future ahead.”

Barry Sternlicht, Chairman of Starwood Energy Group, commented: “Starwood Energy Group has developed a leading reputation in the energy infrastructure landscape. The team’s industry experience and value-add approach has clearly resonated with some of the world’s most sophisticated investors.”

SEIF III’s investor composition includes sovereign wealth funds, pension funds, banking groups, insurance companies, fund of funds and family offices with geographic representation from across North America, Europe and Asia Pacific.

Campbell Lutyens & Co. Ltd acted as exclusive global placement agent for the offering and Kirkland & Ellis LLP acted as legal counsel.
